**JANUARY 17<sup>TH</sup>, 2011 - SAVE THE DATE!**

We are proposing a M.E. Müller Foundation Fellows reunion combined with a Scientific Meeting, in Vail, Colorado on January 17<sup>th</sup>, 2011.

As many of you know, the Preservation of the Hip Symposium, co-chaired by Professor Ganz and Dr. Jeff Mast will be taking place at the same venue, starting on Jan 18<sup>th</sup>, 2011. Some of you may already be planning to attend that meeting we have therefore made the plans to have our MEMF NA Meeting immediately preceding the Hip Symposium.

We plan to have a scientific program consisting of lectures by previous and current Müller fellows and possibly one or two symposia. We hope you will make every effort to attend this meeting and make our scientific gathering a success. Please also let us know if you wish to give a presentation or be part of the possible symposia.
